*Education
is not Preparation for life.
Education is life itself.*

*Red Rose Group of Schools....
Where dreams come true*

**Late Shashi Mishra
Founder President**

*"A sapling that you planted,
Nurtured it with love,
Watered with purity of honesty,
Wind like steadiness of trust."*

This little Red Rose sapling was planted by Shashi Maa, in the year 1982 and with her blessings, has now grown up into a magnificent tree. Today this strong tree is imparting quality education to thousands of students through its branches located at Rajajipuram, Gomtinagar and Kanpur Road in Lucknow.

Mission turns out to be reality

The philosophy of Red Rose Group of Schools is best reflected as "Vidya Dhanam Sarv Dhanam Pradhanam". This philosophy was turned into reality by the Founder Manager of "Red Rose Group of Schools", Honourable R.C.Mishra. His enlightened vision removed all the obscurity and helped to implement the vision and philosophy of the school on the ground level. He laid a strong foundation on which the strong pillars of Red Rose Group of Schools stand. The clarity of his thought is the stepping stone behind the success. Even now, he takes active participation in school activities. Furthermore, his blessings continuously inspire the Management, teaching & support-staff and the students to raise their standards.

Setting new Benchmarks of Success

Dr. Prashant Kr. Mishra
Managing Director

Our Honorable Managing Director, Dr. Prashant Kumar Mishra, has paved the way for Red Rose Group of Schools in attaining the zenith of its success story. Under his able administration, the schools have constantly set new benchmarks of success. It is he who envisioned that apart from studies, inculcating a scientific acumen and holistic development of students is of utmost importance.

He realized that a blend of extra-curricular activities along with regular academic activities is the need of the hour. In accordance to it, he took various steps viz conducting of Inter School Debate, Elocution and Quiz Competitions. Participation of Red Rose Group of Schools in several National and State level competitions has certainly increased its esteem manifold. Sir has been ever-present in solving problems, be it for the staff or the students. The ease with which a faculty member or a student can access him is a feature of his persona. His versatile genius will continue to guide Red Rose Group of Schools in setting new benchmarks of success in the coming years.

At Red Rose Group of Schools, we let our Students dream big, do big.

Mrs. Smita Mishra
President

We at Red Rose Group of Schools impart quality education to our students to enhance their proficiency and intellect. We are of the firm belief that apart from academics, value based education is necessary for holistic development of a child into a future responsible citizen. The importance of Ethics, Morals and Values are key to this. Education should be Just and Humane and we at Red Rose constantly strive to implement it in letter and spirit. Self-discipline is the key to success in every facet of life. Progress is linked to it. Thus, we are of the firm belief that discipline should be inculcated as a way of life in children. The dedicated staff intends to work and shape the school as a dynamic centre of human growth and academic centre of Excellence.

We nurture our students in such a way that they are well equipped to face the competitive world without losing their spirit of brotherhood.

We focus on identifying the unique gifts of each individual and help them to excel in their life so that they grow into sensitive humans and responsible global citizens.

Vision

Active Learners. Gracious Citizens

Our vision is to prepare & motivate students for a rapidly changing world by instilling in them analytical thinking skills, a global perspective & a respect for values of honesty, loyalty, perseverance and compassion.

We strive to prepare all our students to become lifelong learners & responsible citizens who are ready to meet the challenges in future. Our goal is to create learning opportunities for students that will help them develop the knowledge necessary to succeed in a technologically advanced world.

They will manifest deep-rooted values through their thoughts & actions & display a global outlook through their tolerance & acceptance of diversity & differing perspectives

Mission

To create able citizens for our country and the world.

- All – round development of students.
- Paradigm shift from rote learning to experiential and competency based learning.
- Developing life-skills to meet the demands and challenges of life.
- To mould our students into constructive members of the society.
- To sensitize the students about Heritage of India & a pollution free environment.

Affiliation

All schools under Red Rose Group of Schools are affiliated to the Central Board of Secondary Education. We strictly adhere to the guidelines given by CBSE vide its various circulars. These guidelines are based on the reforms introduced under the New Education Policy (2020).

To make the learning process joyful and also to imbibe a greater appreciation and understanding of the art form, CBSE has introduced Art Integration – a step towards experiential learning. Understanding the Paradigm Shift, Red Rose Group of Schools has adopted the new methodologies.

CBSE is taking initiatives to enhance the aptitude of students as per their skills & interest. For this, CBSE has introduced skill based education system wherein subjects like FMM (Financial Market Management), Yoga & Music, have been introduced in our school.

Our Academic Treasure

Academic Session

Academic session commences from April every year. The session is divided into two terms. The first term ends with the Half Yearly Examination in September. The session ends with the Annual Examination in March. Four Unit Tests (two in each term) are conducted in a year.

School Planner

A planner is provided to every student at the beginning of the session. This planner contains the dates of all the scheduled activities, competitions, exams & holidays so that the students can prepare themselves accordingly. Leave should be planned appropriately.

21st Century Learning Skills

Red Rose Group of Schools is working towards 21st Century Learning Skills, experiential and active learning, integration of co-curricular areas such as Arts, Sports, Skills, Life Skills and Values in the main subjects and classroom assessments.

Website & SMS Alert

The School Diary, the School Website and the SMS alert cell of the School play an important role in communicating with the parents. The Parents' Portal on the website enables them to check the curriculum and overall activities of their kids.

Student Teacher Ratio

We follow the student-teacher ratio of 40:1 in classes. The teachers give individual attention to every student.

Morning Assembly

The day begins with the morning assembly. Post the customary prayer, students are acquainted with the news headlines, thought of the day & Quiz.

Spoken English

English is the language of science, aviation, computers and diplomacy. It is also the language of international communication so, a lot of emphasis is given to Spoken English by conducting competitions like elocution and debates.

Student Council

We believe that there is a leader in every child. A gentle nudge is required to make them come to the forefront. Head Boy/Head Girl, House Captains, Vice-Captains(of Houses) are therefore appointed to inculcate the feeling of responsibility, trust and leadership. Sports are an essential part of a student's growth & development.

Learning through Digital Classes

For a better learning experience for students, the school has provided facility of smart classes. There are digital boards, projectors, computers, LED, Internet Facility etc for imparting Quality Education.

Library

Libraries are synonymous with education & offer opportunities that can fuel social & cultural development of students. We have a well stocked library for students which caters to the reading & reference needs of students

Laboratories

Well-equipped Physics, Chemistry, Biology, Maths & Computer labs help students acquire the essential skills for brain storming and technical analysis which will be valuable in their future for acquiring jobs or start up their own ventures as Entrepreneurs.

Parent-Teacher's Meeting

Parent-Teacher's Meetings are held regularly throughout the session This enables the parents/guardians to meet the teachers and to know the problems and progress of their child. These meetings help both the Parents and the Teachers to work for the betterment of the child.

NCC Crowns The School

We are proud to announce that Red Rose Group of Schools now has a National Cadet Corps (NCC) unit for both girls boys. This initiative is a significant step towards fostering discipline, leadership and national pride among our students. By joining NCC, students will have the opportunity to develop essential life skills, physical fitness and sense of responsibility towards our society.

Scouts & Guides

The purpose of scouts & Guides is to develop the inherent potential of the young people by providing them a number of structured activities in order to make them physically mentally, socially, spiritually & emotionally strong citizens of the Nation. We therefore send our students for excursion organized by Scout & Guides.

Co-Curricular & Extra Curricular Activities

The School understands the importance of all round development of a child. Hence all the students are exhorted to participate in co-curricular & extra curricular activities viz. debates, contests, quiz, excursions etc. Club namely Literary, Eco, Disaster Management, Robotics and Science have been created. Students as per their interest participate in the activities conducted by these clubs.

Red Rose Sports Academy

Red Rose Sports Academy runs under the aegis of Red Rose Senior Secondary School wherein sports talents are being nurtured and recognized.

Hobby Classes (Music)

Music has healing power. It has the ability to take people out of them selves for a few hours. Hobby classes are thus conducted for music where in students are trained for vocal as well as instrumental music.

Yoga

Physical and mental discipline are equally important for the overall development of body and mind. Yoga is a powerful tool to deal with stress of uncertainty and isolation. It also helps to deal with anxiety and thus it has been added to the school curriculum.

CBSE Clusters

Sports are a crucial part of a student's health, growth & development. We provide a platform to our students participate in the inter school competitions organized by the CBSE clusters. Many of our students have won Toppers Position /Gold, Silver and Bronze Medals too.

National Level Competitions

Competition motivates and drives people to excel & enables them to learn and benefit from their strengths and weaknesses. Our students participate not only in intra-school & inter-school competitions but also in competitions like NTSE, NSTSE, Green Olympiad, Spell Bee, (CSIR) KAMP, Anvehsan by Itihaas etc. conducted at State and National Levels.

Summer Camp

Summer Camp is organized in our school every year. The central idea behind the summer camp is to foster each student with the skill that would stand them in a good stead as they grow.

Swimming Pool

In the realm of educational facilities, the importance of swimming pools in schools can't be understated. A large, indoor pool in the school premises promotes the physical, mental and competitive skills of the students. Our students have made the school proud by ranking in the top 10 National Swimmers list of CBSE Schools in a short span of two years.
